Bernard traces his family history and the culture of the Pacific Island region through story and dance.

Travelling through Polynesian cultures including Native American Indian, New Zealand Maori, Hawaiian and Samoan, Bernard discovers with each the idea of family, challenges and pride. Each culture is celebrated through breathtaking dance, music and full audience participation. Bernard ends the performance with funky modern Australian hip hop.

**Mana: The Spirit of Polynesia** embodies dance, music, multicultural themes, history, geography, the importance of learning about heritage and the power of self belief and respect.

**MANA is the inner strength and confidence that comes from a sense of identity. Bernard Mangakahia inspires everyone to discover their own MANA.**

Fantastic. The whole show was high energy, interactive and incredibly inspirational. All students at the show were engaged and were very positive about the whole experience. The 'life' skills Bernard imparted were very relevant to our young people. Check out this link for some photos and an article by a student:

Amazing – totally captured children & adults. Lots of storytelling, good resources, related to the topics we were studying and related to the backgrounds of children. Great audience participation with students invited to join in and act out what he was going. Bernard was truly fantastic. Linda Birch, **St Michael's School**

The students were captivated throughout the whole performance. It was great to have student involvement right the way through. It was a real pleasure for our students to see a live performance and to have the chance to take part. Bernard's voice was captivating – it was quiet, however his stories were said in a way that drew his audience into what he was saying. Bernard gave us his YouTube link, which our students have watched... and watched... and watched. Many of them have spoken about the talents of his boys. It was great to hear a 'Dad' speak with such pride about his children.

**The message of 'believe in yourself' really hit the nail on the head with our school's message.** Huge thanks to Bernard for coming to TAPS, we LOVED having him here. Kim Tautarai-Scott, **Te Awamutu PS**

Best performance we have had at the school in the past years. For the hour and a quarter performance, the students were captivated and **completely absorbed by the entire show.** They loved the dances and their stories after showed that they had been captured by Bernard's original way of telling his story.

It was so refreshing to see the students so involved and to witness the true enjoyment they got from the entire show. At the conclusion, they still wanted to dance and have the opportunity to talk to Bernard. Diane Gudsell, **Te Awamutu PS**

Great! Loved it! Excellent! Culturally inspiring, educational, well presented and interactive with the tamariki.

Captivated the audience – kept students engaged so well, the whole time, at all levels!

Tamariki loved it, exciting, buzzing, and were inspired to try to dance with hoops.

Positive, loved the interaction and the power of his messages. Great messages for our tamariki e.g. believe in yourself, set goals. Senior girls were able to retell Bernard's messages.

Very impressed by his professionalism, calm manner & amazing knowledge of the world, dancing ability & humour.

Junior, Kea, Kakapo & Kea Teams, **Waipa School**

We believe Bernard is the best solo performer we have had at our school in years!

Mike Pilette, DP, **Fitzroy School**

A great show. Bernard had the kids captivated! Dave Appleyard, Principal, **Rata Street School**

Bernard's show was stunning!

Our children were captivated by it and are still abuzz with talk about his dancing and his music. As staff we were really impressed not only with the rapport he established with our children (aged between 5- 11) but the wonderful messages he included throughout his performance. We were just sorry we didn't have enough room to have parents attend as well, as we felt it would have been great for some of our parents to hear his messages also!

Thanks for sending such a wonderful performer our way! We would love to host him again if he decided to brave the cold and head to the south island of NZ again!

Emily Keenan, **Aorangi School**

## Mana Feedback from Australia

I have been inspired to email you after our performance this morning by Bernard Mangakahia.  
**What a powerful presence he has!** His passion for sharing his culture through dance, song and action was truly spiritual. The students and staff were entirely captivated by his generosity and talent. **What a great man ! What a great show !** The kids were totally captivated and will remember it forever. How great it is for a man of his standing to show the boys in particular **what it is to be a real man in a real culture.**  
And the examples set by he and his sons will no doubt resonate with many for years into the future.  
**I would have sat through more than 100 such performances at schools over the years and his is the best by far.** A huge thankyou to Bernard...and to you guys for promoting such an inspiring visit. **Donnybrook DHS, WA**  
Your advertising material doesn't even come close to conveying what a wonderful, uplifting, encouraging, challenging, inspiring performance *Mana* is. Bernard continued to inspire long after he left the stage.  
**Calvary Christian College, QLD**

Incredible! Engaging. Entertaining. A brilliant experience for students and adults alike.  
**Sacred Heart College, TAS**

What began quite conventionally soon became extraordinary, and the students were feeling it. Bernard delivered cultural information and personal challenges that left us all feeling positive, with an enlightened mixture of emotion, and the thought that you had just been in the presence of a beautiful human being. He was able to disarm everyone in the theatre within minutes – calmly and skilfully sharing a powerful story. Through family histories, personal challenges and demonstrations of skill and cultural meaning, Bernard's charming, no frills approach made it easy for students to want to pay attention and participate when required. With confidence I would say,  
'Book him if you can, you'll be so glad you did'.
