The Big Concert

Imagine your students all joining together in an explosion of hands-on, musical teamwork. Based on Brazilian Carnival street music, **Steve Schulz** takes a roomful of students, buckets of percussion instruments and a whole heap of energy to create **The Big Samba!**

Artist in Residency

Steve Schulz brings along to your school loads of drums and percussion – gongs, Tibetan singing bowls, bells, wizzy tubes, flutes and various other sounds – enough for every student get involved!

The show tours students and audience on a journey through a dynamic spectrum of sound and colour... from massive powerful drum sounds, to the tiniest bell.

Over 3, 4 or 5 days, Steve harnesses the talents of the students (dance, music, theatre, etc.), and his own unique conducting style, to bring together a 60 – 70 minute concert full of variety and sound, taking the students to a new performing level in a show that is fantastically unique!
