

The Greatest Show on Earth

What we have:

The Greatest Show On Earth...

...is a one hour comedy circus show where the children will be taken on a journey through the brilliant and often chaotic world of circus. Traditional circus acts take on a new twist when Pat and Terry keep upping the stakes on each other, setting challenges that, when accomplished, are as electrifying as they are precise.

“**The Greatest Show on Earth**” is a tight, spectacular, highly skilled and very, very funny circus show containing:

- *masterful juggling* with some surprising objects;
- *unicycle, diabolo, and acrobatic stunts*;
- some *pure contemporary clowning* with the world’s squeakiest clowns, the Pipsqueaks.
- a *towering double finale* featuring a tall unicycle and equally lofty stilts;
- *continuous comedy*
- and, as always, the trademark *live music*.

This show is not only suitable for children and families, It is downright beneficial.

Some acts will remain a secret until the show, But you always get that with clowns.
