

# Craig Smith

## **Speaker Requirements:**

Easel or whiteboard (for 1m x 1.5m paper) – can be smaller depending on availability.

Craig will supply all materials and papers he uses for his own presentation.

He prefers that the students have an opportunity to draw within the session.

If that is agreeable, he asks that the school provide A4, or A3, paper plus grey leads, erasers (optional), and a book or board to lean on for the students if they are on the floor.

## **Book Sales and Signing:**

Craig will not be selling books at any bookings.

He is happy to sign books, time permitting.

If you would like to arrange for students to have copies of Craig's books we suggest you contact a local bookseller to order in bulk.

A list of available books for your reference is available on his website at <http://www.craigsmithillustration.com/school/>
