

# Le Cirque Français

Traditional circus acts take on a new twist when Patrice and Teri – **dressed in classic French style**, with striped shirts, black pants and berets and **speaking French and English side by side** – set challenges that, when accomplished, are as electrifying as they are precise.

In this **one hour comedy circus show**, the children will be taken on a journey through the brilliant and often chaotic world of circus.

“**Le Cirque Français**” is a highly interactive, spectacular, skilled and very, very funny circus show containing:

- **masterful juggling** with some surprising objects
- **unicycle, diabolo, and acrobatic stunts**
- **balancing, stilts, and clowning**
- **continuous comedy**
- **des mots français!**
- some **French songs** to share
- and, of course, **mime**.

Schools are sent **a French vocabulary list** and can **choose from a list of French songs** to be performed on the day.

We had such a great time last Wednesday, with “le Cirque Français” our students loved everything about it! I had lots of positive feedback from teachers and students! Thanks again!
