

Sam Angelico & Rosanna Maccarrone

Illusionaire

Regarded as one of the world's greatest magicians, Sam Angelico won "The World Champion of Comedy Magic" in Madrid in 1985. He has appeared on TV and cabaret throughout Australia, the UK, Europe, Japan and the US. Untraditional, but compelling in his creation of fantasy, Sam Angelico is the most entertaining Magician you will ever see, his show full of unique and brilliant surprises.

Rosanna Maccarrone is one of the very rare professional international female magicians. A children's theatre professional for 20 years (and a Clown Doctor for 15 years), she has also been a cultural exchange fellow representing Australia in India and Malaysia.

The Performance

Expect the unexpected when Sam and Rosanna appear (and perhaps disappear)! With two great magicians live on stage at the same time, these charismatic masters of illusion transport the audience on a Fellini-esque journey of comedy and delight. The playful and whimsical performance is all about creating wonder, as their inexplicable, amazing magic leaves the audience totally mystified!

Sam and Rosanna are also available for Workshops offering their "Create Wonder" teach-in, for all ages and levels of competency. This is a workshop, minimum 1 hour to a full day. This involves learning and performing some very wonderful, basic magic and theatrical skills.
