

Dion Drummond

Dion Drummond's Aboriginal name is "Moogera", meaning storm. He is of Torres Strait Islander descent on his mother's side, and Aboriginal from his father's side. Dion was born in Mossman (Kuku-Yalangi Tribal area) 80km north of Cairns, Queensland.

Dion is one of Australia's most experienced Indigenous performers, covering both Mainland and Islander culture as a dancer, singer and storyteller.

In his school visits, Dion shares tales and artefacts from his cultures, teaching students about the different traditions of both Torres Strait Island and Aboriginal storytelling, song and dance. Students participate in learning a little of the language, including some songs, as well as a look at the skills of Indigenous dances.

Dion Drummond has toured internationally with Descendance Aboriginal & Torres Strait Islander Dance Co. and Jose Calarco for many years, as far away as Moscow, Qatar, Spain, and recently Hong Kong.

He has frequently done workshops and shows in schools in Australia with Arts Queensland-NGM and overseas, and regularly participates in community events. In the past he has done Humanitarian projects for UNESCO and assignments for the Australian Government.

Dion's tours have included residencies and festival performances for the Hawaii Honolulu Festival, The Asian Football Cup, NAIDOC Ball & Aboriginal Awards, and NSW Aboriginal Health Awards; as well as working with other corporate shows and international conventions he has also performed in workshops, galleries, theatre, museums, expos – even in jails and on cruise liners!

“Students absolutely enthralled. Captivated. Engaged throughout. While Dion was signing a student’s boomerang, our 165 students were silent.

Excellent insight into the culture. Thrilled with the learning opportunity provided. Students loved it! We would definitely have him back.”

“Overall the performance was terrific! Entertaining, amusing, informative. It was a pleasure having Dion and his performance was excellent for our school community. I loved that it was educational with languages, flags, dance, explanations – the students remained engaged the entire performance, really responded to the music and loved the interactive parts which allowed them to dance. Dion is a very warm presenter whose pride in his culture is obvious. - *5 Teachers from Good Shepherd PS, Amaroo, ACT*

“We had the amazing Dion Drummond perform on Tuesday. All students and staff really enjoyed the show. A lot of students (from kinder all the way to year 6) stated that they were going home to ask their parents if they could go to the rainforest, Cairns and the Torres Strait! There wasn’t a single student who didn’t want to participate in the dancing and all enjoyed the adult dance. We all loved that the performance truly engaged all age groups. Thanks again for having and organising such a talented performer. All teachers have asked when the next performance can be organised and now we are in discussions about who to book in a four year rotation!” - *Kathrine Gardoll, Black Hill PS, NSW*

“Students were engaged from the beginning of the performance and involved in various activities on stage and in the audience. Teachers, too!!

The audience participated in the show, responding well due to a fantastic combination of humour, movement (rhythm), dance, culture and ethics (moral education). Encompassed many curriculum areas: - history, - geography, - dance, - drama, - music, and more!” - *Hay PS, VIC*
