# feedback for **Heroes & Villains!**

## **A.M.A.Z.I.N.G.!**

This show is engaging, inclusive, creative and funny. Encourages problem solving and allows children to use their imagination, and also promotes **team building** as children work together creating the story. \*AND\* Excellent tips for parents! Not only do these storytelling activities encourage literacy and love of reading... it's super fun!! 😊

Great use of children's **imagination** – actively involved and very engaged. The performers had great energy! Use of humour, appropriate and inclusive. Strung everything together extremely well.

The children were absolutely delighted! Really loved being involved in the storytelling and acting, and parents LOVED watching them. The performers did a wonderful job staying on track (despite some difficult circumstances)!! They were really fantastic at keeping kids engaged and participating 😊
