

Papa Glück's Picknick

An uplifting encounter with the lively German language, culture & character!

Through comedy, music, circus skills and audience participation the internationally acclaimed contemporary clown Christof!! takes the audience on a "Picknick". Using accessible language, charming characters and hilarious routines, we explore German music, folk traditions, food, laughter and "Gemütlichkeit"... Papa Glück, the classic and charismatic German "Opa" is a delight... and there may even be a smattering of slap-dancing.

Aimed at German LOTE students but completely accessible to non-German speakers, Christof!! communicates visually, musically and verbally in English and German, always making sure that the audience is with him.

Best performance I have seen in years. Fantastic show! Great way to include both language and culture – plus a bit of philosophy on life! – I laughed so much I cried! Gatton SS, QLD

I would absolutely recommend this show to all other primary schools. The variety of acts, including plate spinning and bell ringing to the tune of Beethoven, as well as the ad-lib comedy was fantastic. The element of multiculturalism, as well as the extensive use of German language was extremely beneficial. Marmion PS, WA

Awesome, funny, the show was excellent! Students really enjoyed the high level of participation. There was a good mixture of English and German used, well done, Christof!! Concordia Lutheran College, QLD

FEEDBACK!

Sehr gut gemacht!!

“My students’ response was overwhelmingly positive. They were fully engaged throughout the performance, finding it informative, yet hilarious. As a teacher, I was impressed with the number of students who ‘became part of the performance’ – at least 20/95 students. Performing in front of their peers, they spun plates, supported his act and played Beethoven’s Ode to Joy with cow bells. Jam packed with German cultural information, it was a wonderful, worthwhile supplement to my teaching.”

Frau Patricia Ransome, German Teacher, Ferny Hills State School, QLD

“The students totally connected with Christof as a performer. His range of skills and abilities allowed him to present information, stories and learning opportunities in a non-threatening and entertaining way. The faces of the students (even those who like to present as ‘cool’) showed that they were engaged.”

“The students absolutely loved the performance. Christof was engaging and entertaining. He involved the students heavily in the performance and this made the whole show very meaningful to the students.

“Students were very engaged, laughing through the whole show. Difficult to get them out the door at the end! I was thrilled with the show, which had humour in it for all of the ages present. Christof!! had so much energy and enthusiasm I would have him back again.”
