

Christof!!

Australia's most loved contemporary clown presents his
Italian LOTE spectacular...

Applauso!

APPLAUSO! is a one-man show based on three Commedia dell'Arte characters. The Commedia dell'Arte is an Italian creation filled with music, movement and strong, interesting characters from different regions of Italy.

Christof!! brings Pulchinella (the scoundrel), Arlecchino (the peasant) and Pantalone (the miser) to life in hand made traditional masks. Each character has a routine based on their personality and using Christof!!'s wide range of circus skills.

These routines provide an excellent vehicle for language interplay and repetition. The vocabulary is simple and explained in the course of the show, encouraging students to have fun with their Italian language skills.

APPLAUSO is designed to compliment Level 1 and Level 2 Italian LOTE and cultural diversity.
