**Thank you for booking with Nexus Arts!**

***All of our prices and invoices are always in NZ dollars.***

**However, as we are an Australian company, payment for the performance must be made either by international bank transfer, or credit card. *Our bank does not accept NZ cheques.***

**We can now take credit card payments over the phone. If your school has a credit card, after the performance *please let me know that you would like to pay via credit card*, tell me the numbers that attended so we know the total fee and I will call you to take payment. Payment over the phone is instant and I will send a receipt to your chosen email.**

**If you do not have a credit card or would rather pay by international bank transfer (often this is possible via online banking, although you may need to register with your bank), *please deduct the cost of the transfer from your payment to us, as we will cover this cost*. Please use the details below to pay via international bank transfer.**

**\*\*Please make sure that you indicate your school's name in the description for the payment so that we can match it to your school. This will save a lot of time and effort trying to sort out which school the payment is from. If possible, please also email me on [nexusadmin@netspace.net.au](mailto:nexusadmin@netspace.net.au) with the number of students who attended the performance(s) and the amount paid (minus any fee).**
