

Get ready for the foot-stomping, rib-tickling, toe-tapping time of your life at the Proudfoot & Friends show spectacular! Join award-winning children’s performer **Lucas Proudfoot** on stage with his guitar, stomp box, didgeridoo, and a cast of unforgettable characters on a non-stop musical adventure around Pelican Bay. Lucas's performance centres on universal themes of caring for country and each other as he engages young audiences through music, movement, and humour.

As an ALNF ambassador, Lucas uses his unique approach to combining education and entertainment to promote a host of early learning outcomes. The format is interactive with audience participation a key component for all year levels, and a deliberate focus on rhyme, rhythm and lyrical patterns. For younger year levels, this supports children’s early language development as they learn to recognise and respond to sound patterns – the building blocks of phonemic awareness.

Lucas’s frequent use of call-and-response throughout the show also supports early numeracy development as children engage their counting, sequencing, and pattern-recognition skills – not to mention other key developmental skills such as recall and auditory perception – to join in the musical fun. The songs performed in the show are all original compositions by awarded songwriter, Lucas Proudfoot.

Lucas’ live shows over the years have continued to evolve, ensuring there’s always a strong connection to the National Curriculum. Lucas’ previous shows ‘Circular Rhythm’ and ‘The Proud Foots’ book show, has provided a solid 14+ year foundation for ‘Proudfoot & Friends’ to launch into 2024 & beyond.
