

Hear My Song

John Thorn

John Thorn is a composer, pianist, singer, songwriter,
teacher and music director to the stars.

Hear My Song is a fun, interactive intensive workshop in songwriting for secondary students led by award winning songwriter John Thorn.

This 60-100 minute workshop will include generative exercises for devising lyrics, melodies and themes, and imaginative ways of appreciating and approaching songs. Students are encouraged to celebrate their favourite music and examine the key elements of successful songwriting. They then will have an opportunity to pitch and workshop the elements in small groups before the final performance.

By the end of the workshop, participants will present an original song they have group devised in front of their peers with John accompanying them on piano. Whilst fun and encouraging, students will also take away genuine instructive elements of songwriting, as well as a supported experience of public performance.
